Score With Savings Goals!

Sparky and Smokey want to help you reach your savings goals. Fill out this handy goal sheet and hang it up in your room to help you keep your saving on track. Write down what you want to save up for, how much it costs, and when you hope to be able to get it. Then, have an adult help you break your big goal into smaller goals and figure out how long it will take you to save up enough money. Keep track of your savings below and you'll get to your goal in no time. Don't forget to fill up Smokey and bring him in for a piggyback to help you get to your goal even faster!
